LE THANH TRI

Commerce & IT Student | Digital & Social Analysis | Insight Reports & Decks | Fluent Vietnamese & English
trile120105@gmail.com | LinkedIn | District 9, HCMC

CAREER OBJECTIVE

To become a digital and customer experience strategist who turns audience and social data into insights brands can act on, creating experiences that connect business goals with how people in Vietnam actually live online.

EDUCATION

MONASH UNIVERSITY **07.2023 – 07.2027 (expected)**

Bachelor of Commerce and Bachelor of Information Technology — Major in Finance and Software Development

- **Relevant coursework:** Introduction to Data Analysis (76), Introductory Econometrics (74), Introduction to Management (80, HD), Web Fundamentals (74), Databases (72)

PROFESSIONAL EXPERIENCE

Galaxy English Education Centre | *Operations Intern* **12.2023 – 08.2024**

- Ran the centre's social media channels, tracking reach, comments and enquiries from each post in Excel and reporting what performed to management to shape the next round of content.
- Benchmarked local competitors' pricing, positioning, promotions and social content, consolidating the findings into a report with recommendations that management used to plan pricing and campaigns.

ACADEMIC PROJECTS

Consumer Segmentation & Insight **2025**

- Cleaned and analysed a 9,134-record, 18-variable consumer dataset in R, segmenting audiences by demographic and product variables to find which groups drove behaviour, and presented the insights as clear charts for non-technical readers.

StatDoctor Shift Discovery Platform **2026**

- Planned a shift discovery feed for StatDoctor, a health-tech platform connecting 450+ doctors with 50 hospitals, mapping user and client needs into requirements and a 10-sprint delivery plan.
- As Financial and Feasibility Lead, built the AUD 239,109 cost baseline and set CPI/SPI metrics the team used to track and report progress to stakeholders each sprint.

LEADERSHIP & EXTRA-CURRICULAR ACTIVITIES

Lantern Consulting (Asia-Australia Youth Association) | *National Publications Director* **10.2026 – Present**

- Lead the national publications portfolio under the VP Publications, taking industry reports and thought leadership on business and Asia-focused issues from research brief to release.
- Brief contributors and coordinate with the Design and Sponsorship portfolios against a shared timeline, reviewing every submission for accuracy and flagging risks early so each piece ships on schedule.

University Network for Investment and Trading, Monash | *Publication Officer* **12.2024 – 08.2025**

- Consolidated market data, external research and company reporting into a weekly publication, coordinating 5 to 8 contributors for 1,000+ readers over 8 months without missing a deadline.
- Tracked reader response from issue to issue so each edition was shaped by the last, keeping complex material easy to follow.

Monash Vietnamese International Student Club (MVISC) | *Human Resources Officer* **07.2024 – 06.2026**

- Secured AUD 12,000+ in sponsorship, 2% above target, tracking every sponsor's deliverables and follow-ups to deadline; led a core team of 5 volunteers to deliver a 200-guest charity night.
- Arranged weekly core-team meetings with agendas and action lists, and prepared run sheets and event paperwork so every volunteer knew their tasks and deadlines.

SKILLS & CERTIFICATIONS

Languages & Certification: Vietnamese (native), English (fluent, oral and written; IELTS 6.5); Microsoft Office Specialist (Word)

Technical Skills: Google Sheets and Excel for collecting, cleaning and summarising social and competitor data (pivot tables, XLOOKUP, charts); Google Slides and PowerPoint for insight reports and strategy decks; AI tools (ChatGPT, Claude) for research and summarising; R, Python and SQL

Soft Skills: Keen follower of digital campaigns, social trends and martech; organised and reliable on deadlines; proactive; clear communicator in Vietnamese and English.
